AN ORDINANCE AMENDING AND SUPPLEMENTING SECTION 387-1, "DEFINITIONS; WORD USAGE", SECTION, 387-5, "REQUIREMENTS FOR KENNELS, PET SHOPS, SHELTERS AND POUNDS", AND SECTION 387-8, "PROHIBITED ACTIONS", OF CHAPTER 387, "DOG LICENSING AND CONTROL" OF THE CODE OF THE TOWNSHIP OF NORTH BRUNSWICK, TO BAN THE SALE OF DOGS FROM PET SHOPS IN THE TOWNSHIP OF NORTH BRUNSWICK, MIDDLESEX COUNTY, NEW JERSEY

WHEREAS, according to the Humane Society of the United States ("HSUS") inspection records show that many USDA-licensed breeders breed dogs or cats in inhumane conditions. These breeders are commonly referred to as "puppy mills" and documented problems include: overbreeding; inbreeding; veterinary care that doesn't meet the same standards as other breeders; relatively poor quality of food and shelter; lack of human socialization; and overcrowded cages; and

WHEREAS, dogs bred in puppy mills are more likely to have behavior and/or health problems, and, according to the American Society for the Prevention of Cruelty to Animals ("ASPCA"), fearful behavior and lack of socialization with humans and other animals are common characteristics of dogs from puppy mills; and

WHEREAS, N.J.S.A. 4:19-15.8 contemplates municipal approval as a prerequisite to the establishment of pet shops for the retail sale of dogs and cats; and

WHEREAS, the Township Council of the Township of North Brunswick ("Township Council") finds that, in addition to State and Federal laws, the Township of North Brunswick has a local responsibility to promote animal welfare and encourage best practices in the breeding and purchasing of dogs; and

WHEREAS, although the Township Council recognizes that not all dogs retailed in pet shops are products of inhumane breeding conditions and would not classify every commercial breeder selling dogs to pet shops as a "puppy mill", it is the Township Council's belief that puppy mills continue to exist in part because of public demand for the sale of dogs in pet shops; and

WHEREAS, the Township Council believes that a ban on the retail sale of dogs in pet shops in North Brunswick will encourage pet owners and prospective pet owners to adopt needy dogs from animal shelters, thereby saving animals' lives and reducing the cost to the public for sheltering such needy animals; and

WHEREAS, the Township Council believes that a ban on the retail sale of dogs in pet shops will provide community awareness of animal welfare, and, in turn, will encourage a more humane environment in North Brunswick and will be in the best interests of the public health, welfare and safety and be in the best interests of the dogs of North Brunswick.

NOW, THEREFORE, BE IT ORDAINED, by the Township Council of the Township of North Brunswick, County of Middlesex and State of New Jersey, that Section 387-1, Definitions; Word Usage, of Chapter 387, Dog Licensing and Control, of the Code of the Township of North Brunswick, be and is hereby amended and supplemented to revise the definition of "Pet Shop" and to include definitions for "Pet Shop Operator", as follows:
